- Class:** For ages 14 and up (unless with older sibling or advanced 8th grader). Class size will be limited to 18 students.

About the Teacher...

Stephanielynn Būda was first introduced to debate in high school, where she competed in value debate through the National Forensics League. While in college, her debate experience shifted from value to policy debate. Stephanie graduated with her bachelor of arts in communication from Bob Jones University in 2005. After graduation, she decided to pursue a Master’s degree in Performance Studies and became a teaching assistant to pay for this additional degree. This first “real” experience in the classroom ignited her love for teaching. During her time as a teaching assistant, she began assistant coaching and traveling with the BJU Intercollegiate debate team. She graduated with her post-grad degree in 2007 and stayed at Bob Jones University as full-time faculty for 3 years, during which she also acted as the faculty advisor for the BJU Debate Association. Fall 2013 begins her 8th year teaching; currently, Stephanie teaches at Greenville Technical College in addition to instructing high school courses in speech and debate (both value and policy) with a homeschool group in her community. In addition, she has the privilege of being the coach of the Upstate Area Debate Club in both the speech and debate capacities. Stephanie loves being married to her best friend, Brian, and being a momma to her baby girl, Ellise Caroline. In her “free time,” Stephanie enjoys tutoring, writing, reading random books in random genres, and doing artsy-type things. ☺

* A Charis Communications course. For more information on other class offerings, visit www.chariscommunications.wordpress.com.

About the Course...

The Value of Persuasion course is designed to teach your student the format and theories of value (Lincoln-Douglas) debate in context with the classical approach of persuasion.

The act of persuasive speaking, especially through debate, has proven to have several benefits ranging from research skills, critical thinking, to academic excellence in other subjects. These skills are wonderful in and of themselves, but I believe they become invaluable when they are combined with our faith. Those skills serve the Christian the best, I believe, as they are used to practice 1 Peter 3:15-16...

- by learning to “honor Christ as holy” through our words
- by always “being prepared to anyone who asks... a reason for the hope that is in [us]”
- by giving those reasons “with gentleness and respect, having a good conscience”

The class itself will be taught according to the rules of The National Christian Forensics and Communications Association (www.ncfca.org), which “believes that formal speech and debate can provide a means for homeschooled students to learn and exercise analytical and oratorical skills, addressing life issues from a Biblical worldview in a manner that glorifies God.”

The Value of Persuasion semester course can be counted as ½ high school credit, if you choose to do so. Also, once a student completes The Value of Persuasion debate course, he/she becomes eligible to participate in the Upstate Area Debate Club for additional credit. The Upstate Area Debate Club, through its participation in the NCFCA, is geared for “live” debate through practice rounds (in club) and competition (through tournaments).

About Registration...

Complete the registration form (page 3) mail now with a \$15 reservation fee to secure a spot for your child in the class. The balance of \$200 will be due by June 20. All fees are nonrefundable.
